We Invite You ...

To join our community of fabulous women!

Pink Perks

You will receive resources and helpful information on a multitude of topics through speakers and articles in our newsletter and blog. You can share your knowledge or receive guidance from like-minded people who have "been there" or by being a mentor to others. Members are eligible to co-host "Facebook Parties," to be included in WIW teleclasses and write blog posts for the WIW blog.

Your professional news (such as new business start ups, career promotions, awards and recognitions, new business services, relocation and anything else that should be celebrated) will be included in the "Member Happenings" section of the weekly newsletter.

You are entitled to a 30-minute complimentary coaching or mentoring session with WIW Founder and President, Leslie Sturgeon. Leslie has been a business owner and community leader for over 27 years and has been recognized as a NH SBA "Women in Business Champion and NH Business Review "Outstanding Woman in Business."

You will have an opportunity to promote yourself and your business through WIW events. These events are designed to help members achieve personal, professional and business success, increase visibility and provide a forum in which to network with peers. Events are held throughout New Hampshire including the Lakes Region, Seacoast, Concord, Manchester, Bedford and Nashua. This organization is not just for entrepreneurs! As a member, you will receive discounts on exhibition space at our events.

You will receive frequent discounted member fees at events, as well as discounted advertising rates in association publications and the website. You will be invited to "Member Mingles" and other member-exclusive events, as well as a private Facebook group.

From a Proud Member ...

If you're a fun-loving, proudly imperfect, radically authentic chick who adores the company of intelligent, witty, smart, ambitious, and genuine ladies, you MUST join our party. It'll be the best thing you do all year.
